Cleansing - Moisturizing

## VELVET CLEANSING MILK

Code: NE0001F  
Packaging:  
Bottle 500 ml

Discover our Velvet Cleansing Milk designed to remove all traces of make-up while respecting the natural balance of your skin.

### MAIN ACTIVE INGREDIENTS

#### Sea Fennel

A coastal plant rich in fatty acids and minerals containing an extract that boasts regenerating and firming properties.

#### Chondrus Crispus

Red macro-algae, rich in carrageenans and fatty acids, which effectively protect the epidermis and help regenerate membrane phospholipids.

#### Ulva Lactuca

Green macro-algae, rich in iron, vitamin C and beta carotene, known for its oxygenating, antioxidant and protective properties.

#### Aloe Vera

A perennial plant believed to be an anti-pollutant and renowned for its healing properties thanks to its high protein, vitamin and choline content (phospholipids that guarantee cell membrane integrity).

### BEAUTY RESULTS

- The skin is left feeling perfectly cleansed and comfortable.
- The skin remains soft and protected.

### RECOMMENDED USE

#### 5 ml for one treatment

- Every evening, apply to face and neck using light massaging motions.
- Remove with warm water or cotton wool.
- Complete this skin-care routine with the Marine Tonic Lotion.

### BENEFITS

- Suits all skin types.
- Light, fresh fragrance.
- Paraben-free.

Toning - Moisturizing

## MARINE TONIC LOTION

Code: NE0002F

Packaging:  
Bottle 500 ml

As the first step in skincare, this tonic lotion completes the make-up removal process by preserving skin moisture thanks to its marine active ingredients.

### MAIN ACTIVE INGREDIENTS

#### Sea Fennel

A coastal plant rich in fatty acids and minerals containing an extract that boasts regenerating and firming properties.

#### Ulva Lactuca

Rich in iron, vitamin C and beta carotene and known for its oxygenating, antioxidant and protective properties.

#### Chondrus Crispus

Red macro-algae, rich in carrageenans and fatty acids, which effectively protect the epidermis and help regenerate membrane phospholipids.

#### Aloe Vera

Renowned for its healing properties thanks to its high protein, vitamin and choline content.

#### Sea water

Sea water provides the perfect balance of minerals and trace elements and help stimulate skin cell metabolism.

#### Laminaria Digitata

Brown algae with the highest concentration of iodine, its micronized form makes for better absorption by the body.

### BEAUTY RESULTS

- Completes your cleansing routine.
- Revives and tones the skin.
- Makes skin look more radiant.
- Maintains skin moisture levels.

### RECOMMENDED USE

2 ml for one treatment

- Use a piece of cotton wool to apply to face and neck.
- Use in the morning to refresh and tone skin.
- Use in the evening to complete your cleansing routine after using the Velvet Cleansing Milk.

### BENEFITS

- Suits all skins types.
- Fresh and light perfume.
- Paraben-free.

Toning - Radiance-enhancing

## OXYGEN RADIANCE SCRUB

Code: NEO003F  
Packaging:  
Bottle 125 ml

This white cream is enriched with nut shell powder and ground rice for its gentle re-mineralizing and exfoliating action.

### MAIN ACTIVE INGREDIENTS

#### Sea Fennel

A coastal plant rich in fatty acids and minerals containing an extract that boasts regenerating and firming properties.

#### Chondrus Crispus

Red macro-algae, rich in carrageenans and fatty acids, which effectively protect the epidermis and help regenerate membrane phospholipids.

#### Ulva Lactuca

Green macro-algae, rich in iron, vitamin C and beta carotene, known for its oxygenating, antioxidant and protective properties.

#### Aloe Vera

A perennial plant believed to be an anti-pollutant and renowned for its healing properties thanks to its high protein, vitamin and choline content (phospholipids that guarantee cell membrane integrity).

### BEAUTY RESULTS

- The skin is clear, purified and oxygenated.
- The complexion is brighter, and skin is perfectly ready to receive subsequent care.
- The skin remains moisturized, its radiance restored.

### RECOMMENDED USE

#### 5 ml for one treatment

- Apply a thin layer to perfectly clean and dry skin (face and neck) once or twice a week.
- Exfoliate skin using gentle circular motions, avoiding the eye contour. Rinse with warm water.

### BENEFITS

- Its smooth and creamy texture suits all skin types, even fragile, dull-looking skin.
- Fresh and invigorating fragrance.
- Paraben-free.

Smoothing - Unifying

## ENZYMATIC MASSAGE WAX

Code: NE0021F  
Packaging:  
Jar 200 ml

This white iridescent wax combines a very fine texture that glides across the skin, providing gentle resurfacing peeling action, and is ideal to gently scrub skin made sensitive by dryness or ageing.

### MAIN ACTIVE INGREDIENTS

#### Sea Fennel

A perennial coastal plant rich in minerals (copper, magnesium, potassium) that help regenerate cells and boost the skin's vital functions.

#### Enzymes and lipohydroxy acids (LHA)

Enzymes peel away the top layer of the skin thanks to their keratolytic action, and help rid the skin of dead cells. LHAs complete that action, ensuring gentle and gradual exfoliation.

#### Ulva Lactuca

Green macro-algae, rich in iron and vitamin C, reinforces the skin's defenses and contributes to the melanogenesis process to reduce the appearance of pigmented blemishes.

### BEAUTY RESULTS

- Skin glows and is unified thanks to its instant smoothing effect.
- Gentle and comfortable to use, its melting texture undergoes a transformation, turning into a skin moisturizing lotion.
- When used as a course of treatment, it removes blemishes and rejuvenates skin by stimulating cell renewal.

### RECOMMENDED USE

#### 5 ml for one treatment

- Apply to dry skin with slightly wet hands for an enzymatic modeling scrub. The wax rapidly becomes fluid on the skin, giving it more gliding power.
- Moisten hands to emulsify the oil: the product turns into a lotion, for added comfort and moisture. Rinse off with a damp wash cloth after 10 minutes.

### BENEFITS

- A highly comfortable and versatile texture that undergoes a complete "transformation" and produces instant results.
- Can be used for specific skin care, on face, hands and cleavage.
- Paraben-free.

Revitalizing - Radiance-enhancing

## RADIANCE GEL-MASK

Code: NE0004F  
Packaging:  
Bottle 125 ml

This radiance gel mask with algae extracts restores the skin's energy, and boosts skin cells.

### MAIN ACTIVE INGREDIENTS

#### Sea Fennel

A coastal plant rich in fatty acids and minerals containing an extract that boasts regenerating and firming properties.

#### Chondrus Crispus

Red macro-algae, rich in carrageenans and fatty acids, which effectively protect the epidermis and help regenerate membrane phospholipids.

#### Hyaluronic acid - Aloe Vera - Sodium PCA

Combined with the low molecular weight of hyaluronic acid, they moisturize and soothe the upper layers of the epidermis.

### BEAUTY RESULTS

- This mask brightens the complexion and smooth features.
- Skin is moisturized and remains soft.
- Dermis elasticity is preserved and boosted.

### RECOMMENDED USE

#### 5 ml for one treatment

- Apply a thick layer to cleansed and dried face and neck once or twice a week.
- Leave on for 10 to 15 minutes.
- Wipe off using a hot towel.

### BENEFITS

- An ultra-fresh, comfortable gel texture.
- A veritably revitalizing emergency mask.
- Paraben-free.

Moisturizing & Anti-ageing

## NOURISHING MASK

Code: NE0005F  
Packaging:  
Jar 150 ml

A Cream mask designed to nourish and protect the skin from external aggressions.

### MAIN ACTIVE INGREDIENTS

#### Sea Fennel

Rich in fatty acids and minerals, with regenerating and firming properties.

#### Chondrus Crispus

Rich in carrageenan and fatty acids, which effectively protect the epidermis and help regenerate membrane phospholipids.

#### Porphyra Umbilicalis

Rich in proteins and fatty acids. Nourishes and strengthens the skin's defenses.

#### Hyaluronic acid

Allows for greater skin penetration, to limit water loss, stimulate the proteins responsible for skin cohesion and improve skin firmness by producing procollagen.

#### Shea butter

Boost moisture levels in the upper layers of the epidermis and restores the skin's barrier function to protect it from external aggressions.

#### Aloe Vera

Renown for its moisturizing, soothing and healing properties thanks to its high protein, vitamin and choline content.

### BEAUTY RESULTS

- The skin is intensely moisturized.
- Its micro-nutrients and essential minerals are restored, for comfortable, toned and radiant skin.

### RECOMMENDED USE

#### 5 ml for one treatment

- Apply a generous layer to thoroughly cleansed face and neck.
- Leave on for 10 minutes then rinse off.

### BENEFITS

- Nourishing skin-care for all types of skin in need of comfort.
- Paraben-free.

Protective - Moisturizing

## COOLNESS MOUSSE MASK

Code: NE0006F  
Packaging:  
Jar 100 g  
Sachets

This rehydratable wrap powder is capable of absorbing 40 times its own volume in water or lotion. The gel-mousse texture thus created imparts a cool, soft feeling to skin that craves soothing.

### MAIN ACTIVE INGREDIENTS

#### Durvillea Antartica

Its high alginic acid content helps the skin combat free radicals, which are responsible for cellular ageing. This algae moisturizes and protects the skin.

#### Sea Buckthorn

Naturally rich in carotenoids and tocopherols, Sea Buckthorn helps regenerate and moisturize the skin and protects it from premature ageing.

#### Sargassum

This Sargassum (brown algae) extract nourishes and moisturizes the skin.

### BEAUTY RESULTS

- The skin is soothed and moisturized.
- The skin remains soft and supple.

### RECOMMENDED USE

- Pour 40 ml of lotion or water in a bowl.
- Sprinkle 2g of powder evenly on the surface.
- Let it swell for a few seconds then mix gently with a spatula. The resulting texture will be light and airy.
- Apply to the whole face, neck and cleavage with a brush.
- Remove excess mousse with a damp cloth.

### BENEFITS

- The cool feeling provided by this wrap is conducive to calm and serenity.
- Paraben-free

Moisturizing - Nourishing

## MOISTURIZING CREAM

Code: NE0008F  
Packaging:  
Bottle 125 ml

This cream is rich in ceramides, Shea butter and marine minerals, to restore the skin's barrier function and protect the skin from external aggressions.

### MAIN ACTIVE INGREDIENTS

#### Sea Fennel

Thanks to its toning, re-mineralizing properties, this sea fennel water is ideal for regenerating, re-mineralizing skin.

#### Ceramids & Shea butter

Boost the moisture levels in the upper layers of the epidermis and restore the skin's barrier function, to protect it from external aggressions.

#### Chondrus Crispus

This Chondrus Crispus extract is rich in carrageenan. It ensures effective protection and helps regenerate the upper layers of the skin.

### BEAUTY RESULTS

- This cream nourishes and moisturizes the upper layers of the epidermis.
- Skin comfort and softness are restored.

### RECOMMENDED USE

**1 ml for one treatment**

- Apply in the morning to thoroughly cleansed face and neck using light stroking motions.

### BENEFITS

- The carrageenans in this cream leave a soft and protective film on the skin.
- Paraben-free.
